

ALBION SC SAN DIEGO JUNIORS

2015 Fall Soccer Season

Micro Soccer Program Professionally Run For 3-7 Year Olds

Our Youth Program

The ALBION JUNIORS—Development Program for the Junior Player is designed to give your child the opportunity to build a solid foundation in technical development in the very early years of playing and enjoying the game of soccer. Albion Juniors is under the guidance of USSF Nationally licensed professional staff. ALBION JUNIORS program serves as an introductory and advanced path for 3-7 aged soccer players. This design facilitates developmental progression recommended by the United States Soccer Federation as well as the US Youth Soccer Association. The uniqueness of our program is that we have devised an **In-House, non-travel program** professionally coached and organized for ages 3, 4, 5, & 6 year olds. We are committed to providing a fun, educational, and progressive experience for your youth soccer players. Not only are we committed to our youth players, but we also have a wonderful comprehensive coaching educational curriculum and mentorship program specifically for Albion Juniors. Come out and experience what no other club in the San Diego area offers!

The vision for the Albion Juniors program will be to have the following age groups where they would be gender specific (except in the U4 age group), have separate training sessions and matches alike:

U4 (Coed)

U5 (Girl Bracket and Boy Bracket*)

U6 (Girl Bracket and Boy Bracket*)

U7 (Girl Bracket and Boy Bracket*)

**If number of registration allows*

Teams can be created with a mix of genders upon request, but the vision of the Juniors program is to have the separation. If there is a mixed team then that team would be placed in the Boy bracket of that age group. Fall season includes a weekly skills training session run by an Albion SC staff coach and a match played on Saturday.
