Learning and Playing Soccer for the Fun of It

Director's Corner

I'm proud to announce the 2012 PSL Spring League season. I think this a great chance to stay involved in soccer and still "fit" other activities and the routine of spring into the schedule. Teams can be formed by coaches... or players can be placed on teams. Either way the children will be on the field continuing to build the love for the game of soccer. 4 vs 4 and 5 vs 5 Small sided games will allow each player more opportunities to touch the ball per game. The smaller atmosphere creates an environment where a player must learn to adapt and make quicker decisions. As always, creative play and risk taking on the field is encouraged!
